

Official US Department of Defense

List of STOP THE BLEED® Educational Licensees

The US Department of Defense ("DoD") STOP The BLEED® program is a public health campaign designed to train and equip private citizens to be able to save the lives of people who have suffered a traumatic injury involving severe blood loss.

DoD issues STOP THE BLEED® Educational Licenses to organizations approved to teach bleeding control techniques. This official DoD STOP THE BLEED® Educational License list is maintained by the Stop the Bleed Coalition pursuant to a contract with the Department of Defense. This list is updated periodically.

Visit the Stop the Bleed Coalition website for more information: stopthebleedcoalition.org
